

## My Trip to the Movie Theater!

I am going to the Carolina Theatre of Durham!

This is where I will go into the movie theater.  
It is an old building with a lot of history. There might be interesting decorations or smells.

This is what the theater looks like when I enter.  
This is the first floor. I will need to go up to the second floor.  
I can use the stairs or the elevator.

Upstairs, there is a Box Office. This is where I go if I need to get a ticket for the movie. I might already have a digital ticket.

I will show my ticket on paper or on a phone to the ticket checker.  
They will scan it before I go into the cinema area.

The cinema area has 2 cinemas, a concession stand, and bathrooms.

There are also areas to take a break while I am waiting or during the movie. I can use these areas as a quiet space or a movement space.

If I want a snack or a drink, I can buy it at the concession stand. I can also bring my own snacks and drinks from home.

The bathrooms and a water bottle filling station are near the concession stand. There are also bathrooms downstairs, near the entrance.

The movie will play in Cinema 1. When I am ready, I will go in and choose a seat. It is okay if I do not sit still and stay silent during the movie. I can still enjoy the movie! I can also leave the cinema to take a break or borrow a fidget from the sensory kit.

When the movie is finished, I will throw away my trash and put back anything that I took from the sensory kit. Then it is time to leave.

I can have a fun time at the movie theater!  
Goodbye!
